

Frame

1. Here all the parts of the frame. Use any cardboard you prefer and cut out any decorative shapes.

2. Glue all the pieces together except for the back part. Attach the back after you insert the picture.

3. Here we used purple and golden tempera paint. But you can use different colors and other materials, for example glue and sand for texture.

4. This is a collage with the hart made of Paris maps made as a birthday present.
